

Lady Gaga - Sine From Above (feat. Elton John)

tom:
 Capotraste na 1ª casa
 Intro: G Bm A

[Primeira Parte]

G Bm A
 When I was young, I prayed for lightning
 G Bm A
 My mother said it would come and find ?me
 Bm Bm
 I?found myself without?a prayer
 Bm Bm
 I lost my love and?no one cared
 G Bm A
 When I was young, I prayed for lightning

[Pré-Refrão]

Em G
 Yeah, I looked with my face up to the sky
 Bm A
 But I saw nothing there, no, no, nothing there
 Em G
 Yeah, I stared while my eyes filled up with tears
 Bm A
 But there was nothing there, no, no, nothing

[Refrão]

Bm G D A
 I heard one sine from above (oh)
 Bm G D A
 I heard one sine from above (oh)
 Bm
 Then the signal split in two
 G D
 The sound created stars like me and you
 A
 Before there was love, there was silence
 Bm G
 I heard one sine
 Bm A
 And it healed my heart, heard a sine
 Bm A Bm A
 Healed my heart, heard a sine
 Bm A G
 Healed my heart, heard a sine

[Segunda Parte]

G Bm A
 When I was young, I felt immortal
 G Bm A
 And not a day went by without a struggle
 Bm Bm
 I lived my days just for the nights

Bm Bm
 I lost myself under the lights
 G Bm A
 When I was young, I felt immortal

[Pré-Refrão]

Em G
 Yeah, I looked with my face up to the sky
 Bm A
 But I saw nothing there, no, no, nothing there
 Em G
 Yeah, I stared while my eyes filled up with tears
 Bm A
 But there was nothing there, no, no, nothing

[Refrão]

Bm G D A
 I heard one sine from above (oh)
 Bm G D A
 I heard one sine from above (oh)
 Bm
 Then the signal split in two
 G D
 The sound created stars like me and you
 A
 Before there was love, there was silence
 Bm G
 I heard one sine
 Bm A
 And it healed my heart, heard a sine
 Bm A Bm A
 Healed my heart, heard a sine
 Bm A
 Healed my heart, heard a sine
 [Ponte]
 Bm
 Then the signal split in two
 G Bm
 The sound created stars like me and you
 A
 Before there was love, there was silence
 Bm G
 I heard one sine
 Bm A
 And it healed my heart, heard a sine

G Bm
 Healed my heart
 Bm
 Healed my
 A
 Heart, heard a sine
 Bm
 Healed my
 A
 Heart, heard a sine
