

Lady Gaga - So Happy I Could Die/Born To Die

Tom: Eb

(com acordes na forma de C)

Capostrate na 3ª casa

I love that lavender blonde
 The way she moves
 The way she walks
 I touch myself can't get enough
 And in the silence of the night
 Through all the tears

And all the lies
 I touch myself and it's alright

Don't make me sad, don't make me cry
 Sometimes love is not enough when the road gets tough

I don't know why
 Keep making me laugh,
 Let's go get high
 Road's long, we carry on
 Try to have fun in the meantime

Happy in the club with a bottle of red wine
 Stars in our eyes 'cuz we're having a good time

Eh-eh
 Eh-eh
 So happy I could die

Be your best friend

Yeah I'll love you forever
 Up in the clouds

We'll be higher than ever

Eh-eh
 Eh-eh
 we were born to die

Lost but now I am found
 I can see but once I was blind
 I was so confused as a little child
 Tried to take what I could get
 Scared that I couldn't find
 All the answers, honey

Just give in
 Don't give up baby
 Open up your heart and your mind to me

Just know when
 That glass is empty
 That the world is gonna bend

Happy in the club with a bottle of red wine
 Stars in our eyes 'cuz we're having a good time

Eh-eh
 Eh-eh

So happy I could die
 Be your best friend

Yeah I'll love you forever
 Up in the clouds

We'll be higher than ever

Eh-eh
 Eh-eh
 we were born to die
