

Lady Gaga - Speechless

Tom: C
Intro: (63 50 52) C C Am Am Am F Gb G

Of all my wrecked up friends

I can't believe what you said to me
I'll never talk again

Last night when we were alone
Oh boy you've left me speechless

You threw your hands up
You've left me speechless, so speechless

Baby you gave up, you gave up

I can't believe how you looked at me,
I'll never love again,

I can't believe how you looked at me
Oh friend you've left me speechless

With your James Dean glossy eyes
You've left me speechless, so speechless

In your tight jeans with your long hair
You've left me speechless, so speechless

And your cigarette stained lies

(G Gb F)

Could we fix you if you broke?
And after all the drinks and bars that we've been to

And is your punch line just a joke?
Would you give it all up?

I'll never talk again
Could I give it all up for you?

Oh boy you've left me speechless
And after all the boys and girls that we've been through

You've left me speechless, so speechless
Would you give it all up?

I'll never love again
Could you give it all up?

Oh boy you've left me speechless
If I promise, boy, to you

You've left me speechless, so speechless
That I'll never talk again

I can't believe how you slurred at me
And I'll never love again

With your half wired broken jaw
I'll never write a song

You popped my heart seams
Won't even sing along

On my bubble dreams, bubble dreams
I'll never love again

I can't believe how you looked at me
You left me speechless, so speechless

With your Johnnie Walker eyes
Will you ever talk again?

He's gonna get you and after he's through
Oh boy, why you so speechless?

There's gonna be no love left to rye
You've left me speechless

And I know that it's complicated
Some men may follow me

But I'm a loser in love, so baby
But you choose "death and company"

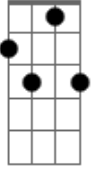

Raise a glass to mend
Why you so speechless? Oh oh oh

All the broken hearts
