

# Lady Gaga - Speechless

Tom: C  
Intro: (63 50 52) C C Am Am Am F Gb G

Of all my wrecked up friends  
I can't believe what you said to me  
Last night when we were alone  
You threw your hands up  
Baby you gave up, you gave up

I can't believe how you looked at me  
With your James Dean glossy eyes  
In your tight jeans with your long hair  
And your cigarette stained lies

Could we fix you if you broke?  
And is your punch line just a joke?

I'll never talk again  
Oh boy you've left me speechless  
You've left me speechless, so speechless

I'll never love again  
Oh boy you've left me speechless  
You've left me speechless, so speechless

I can't believe how you slurred at me  
With your half wired broken jaw  
You popped my heart seams  
On my bubble dreams, bubble dreams

I can't believe how you looked at me  
With your Johnnie Walker eyes  
He's gonna get you and after he's through  
There's gonna be no love left to rye

And I know that it's complicated  
But I'm a loser in love, so baby  
Raise a glass to mend  
All the broken hearts

I'll never talk again  
Oh boy you've left me speechless  
You've left me speechless, so speechless

I'll never love again,  
Oh friend you've left me speechless  
You've left me speechless, so speechless

( G Gb F )

And after all the drinks and bars that we've been to  
Would you give it all up?  
Could I give it all up for you?

And after all the boys and girls that we've been through  
Would you give it all up?  
Could you give it all up?  
If I promise, boy, to you

That I'll never talk again  
And I'll never love again  
I'll never write a song  
Won't even sing along  
I'll never love again

You left me speechless, so speechless  
Will you ever talk again?  
Oh boy, why you so speechless?  
You've left me speechless

Some men may follow me  
But you choose "death and company"  
Why you so speechless? Oh oh oh
