[Primeira Parte]

I hear the sweet, sweet sounds of Heaven  
Fallin' down, fallin' down to this earth  
I hear the sweet, sweetest sounds of Heaven  
Driftin' down, driftin' down to this earth  
Bless the Father, bless the Son, hear the sound of the drums  
As it echoes through the valley and it bursts, yeah  
Let no woman or a child go hungry tonight  
Please protect us from the pain and the hurt, yeah

[Segunda Parte]

I smell the sweet scents (Sweet)  
Sweet scents of Heaven (Heaven)  
Tumblin' down (Tumblin' down)  
Tumblin' down to the earth (Oh)  
I hear the sweet sounds (Sweet sounds)  
The sweet sounds (Ooh, the sweet sounds) of children  
And they're praisin' (Praisin')  
The land of their birth (No)

[Refrão]

No, I'm not, not goin' to Hell  
In some dusty motel  
And I'm not, not goin' down  
In the dirt (Yes, yes, yes)  
I'm gonna laugh (I'm gonna laugh)  
I'm gonna cry (I'm gonna cry)  
Eat the bread, drink the wine  
'Cause I'm finally, finally quenchin' my thirst, yeah

[Ponte]

You can't have a light without a little shadow, yeah  
Always need a target for your bow and arrow  
I want to be drenched in the rain  
Of your heavenly love, oh, yeah, c'mon
