

# Lady Gaga - Vanish Into You

tom:

Intro: N.c  
Saw your face and mine

In a picture by our bedside

It was cold in the summertime

High on a hill, you called

Two lovers regret their time

Once in a blue moon, I forget you

And once in your life, you'll be mine

[Ponte]

Do you see me? Do you see me now?

I've been waitin' for you, cryin' out

Do you see me? Do you see me now?

[Refrão]

N.c.  
Saw your face and mine

In a picture by our bedside

It was cold in the summertime

We were happy just to be alive!

[Pós-refrão]

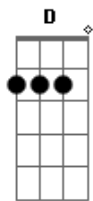

Can I, I-I-I-I-I-I-I-I-I-I vanish into you?

Can I vanish into you? (Yah)

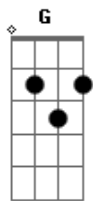

Into the night, we fly

Sirens blow by our heads (Yah)
