

# Lady Gaga - You And I

Tom: D

A  
 It's been a long time since I came around  
 Bm  
 It's been a long time but I'm back in town  
 D A  
 But this time I'm not leaving without you  
  
 A  
 You taste like whiskey when you kiss me oh  
 Bm  
 I'd give anything again to be your baby doll  
 D A  
 Yeah this time I'm not leaving without you  
  
 D  
 You said sit back down where you belong  
 A G  
 In the corner of my bar with your high heels on  
 D  
 Sit back down on the couch where we  
 E  
 Made love for the first time  
 E  
 And you said to me  
  
 D A G  
 There's something, something about this place  
 D A G  
 Something about lonely nights and my lipstick on your face  
 D A G  
 Something something about my cool Nebraska guy  
 E  
 Yeah something about  
 D A  
 Baby you and I  
  
 A  
 Been two years since I let you go,  
 Bm  
 I could've listened to a joke or rock n roll  
 D A  
 And muscle cars drove a truck right through my heart  
  
 A  
 On my birthday you sang me "Heart of Gold"  
 Bm  
 With a guitar hummin' and no clothes  
 D A  
 This time I'm not leaving without you  
  
 D  
 You said sit back down where you belong  
 A G  
 In the corner of my bar with your high heels on  
 D  
 Sit back down on the couch where we  
 E  
 Made love for the first time  
 E  
 And you said to me

 There's something, something about this place  
 D A G  
 Something about lonely nights and my lipstick on your face

 We gotta whole lotta money but we still pay rent  
 A G  
 'Cause you can't buy a house in heaven  
 D  
 There's only three men that ima serve my whole life  
 E  
 It's my daddy, and Nebraska and Jesus Christ  
  
 D A G  
 Somethin', somethin' about the chase  
 D A G  
 I'm a New York woman born to run you down  
 D A G  
 Still want my lipstick all over your face  
 D A  
 G
