

# Lady, The Band - Karma

Tom: F

Intro: Dm C Gm

Ain't nobody worthier than you

Cause I've seen all the crazy things

And filthy things you do

Keep walking around, it could never happen to you

You might as well get ready

You about to triple your own dues

So maybe you deserve it

Maybe you deserve it

Maybe you deserve it

Maybe you deserve it

This little thing called, karma

Karma, karma, yeah

This little thing called, karma

Karma, karma, yeah

So quick to point the finger

Remember Three is pointin' back at you

Always first to judge

Oh but the guilty one is you

I know I ain't no saint

But I know I ain't as bad as you

Don't you think it's time to change

And maybe become a better you

I don't really understand it (tell me why)

Don't you ever want to feel the sunshine

(Feel the sunshine) Oh ho ho

Maybe you deserve, karma

Karma, karma

Maybe you deserve, it

I don't know, but I think you do

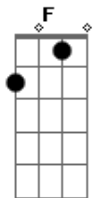

Oh ho ho

Karma, karma, karma yeah

Maybe you do

Maybe you do
