

# Lagum - A Gente Nunca Conversou

Tom: E

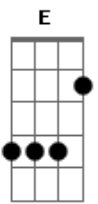

Ei moça, do que será que "cê" tá rindo?  
 A gente nunca conversou  
 Mas te ver de longe é bom de mais  
 Ei moça, me diz onde você tá indo

Talvez te chame pra dançar  
 Mas não repara caso eu travar  
 Ei moça, o que cê passa no cabelo?  
 E que tem cheiro de limão fresquin  
 Quero te apresentar pra minha mãe já
