

Lagum - Playground

tom:

D

Faça do meu corpo o seu playground

Calma que eu tô tonto, me faltou o ar

Sem fôlego, mas pronto pro segundo round

Pega-pega ou pula-pula

Só não brinca de me amar

(Em A7 D D7 B7)
(Em A7 D Dm D7)

Ela tá me dando mole

Logo fico duro de grana

Gastei tudo em presente

Que fiquei sem nem um putô

Me engana que eu gosto

Me ama, te mostro

Um outro lado meu

E aí, fudeu

O que que aconteceu?

Se o combinado era só ficar na brincadeira

Só se ver na sexta-feira

E o resto todo da semana era esperar

A semana inteira pra te ter

Faça do meu corpo o seu playground

Calma que eu tô tonto, me faltou o ar

Sem fôlego, mas pronto pro segundo round

Pega-pega ou pula-pula

Só não brinca de me amar

(G Bm B7)

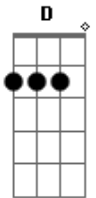

Vertigem na roda gigante

Vejo seu olho virar

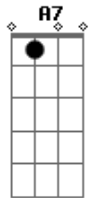

E os meus brilham feito diamantes

Fecho pra não te ofuscar
