[Primeira Parte]

Bm
 In the middle of the night

 I hear a corn field coyote cry
A
 Up at the moon no matter what
G
 Sky I'm laying under
Bm
 In the eye of a hurricane
D
 When I got one foot in the grave
A
 I'll dig my boots into the dirt
G
 And face the rolling thunder

[Refrão]

Bm
 I'm five generations of blazing a trail
D
 Through barbed wire valleys and overgrown dells
A
 I'm barefoot and bareback and born tough as nails
Em
 Whoa-ooh-oh, ooh-oh
Bm
 I'm four fifths of reckless and one fifth of jack
D
 I push like a daisy through old sidewalk cracks
A
 Yeah, my kinda crazy's still running its courses
G Bm
 With wildflowers and wild horses

[Segunda Parte]

Bm
 It's in the water in my veins

That bread of heaven falls like rain
A
 So I'm taken care of either way

 Make something out of how I'm made
