No meio da cachoeira um beija flor apareceu

Vairando sob as águas pássaro das matas trouxe a memória de deus

E vai voando ao infinito cheio de amor

Segue sempre um bom caminho és guardião de toda flor

Pássaros, Passarão

Cantando por toda terra semeando a nova era

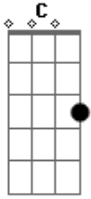

Pássaros, Passarão

A tristeza vai passar, o amor prevalecerá

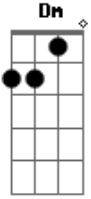

Pássaros, Passarão

Vem passando a passarada, colorindo a minha estrada
