

Lana Del Rey - Backfire

Tom: E

Verse 1:

Salvatore you can def be

My baby blue
Be my Mafiosi rock n'roll high

Back to Malibu
In our trailer park for two

We're like Sid and Nancy
Loved in the fight

Pre Chorus:

We got a jumper

got a jumper

got a jumper

got a jumper
My man's crazy and his mind isn't right

But I like him - fact, I love him

I can't get e-enough of him
He knows only I can save him tonight

Chorus:

I've been waiting on your love

Baby, for too long now

too long now
I thought that I could change you like the others

but I don't know how

don't know how

It's gonna backfire

It's gonna backfire, baby

gonna backfire

gonna backfire, baby

Told you one million times before

Yes, I'll run for it a million more

Verse 2:

Tired of fighting you

Seems like everything I do

Even when I win, I lose wit' you, man

And it's not something you choose

You say trouble follows you

It's been like that since the day you began

Pre Chorus:

We've got a jumper

got a jumper

got a jumper

got a jumper
I know very well you're bringing me down

I will follow, I will follow

For a little piece of heaven

I am ready, I am willing to drown

Chorus:

I've been waiting on your love

Baby, for too long now

too long now

I thought that I could change you like the others

but I don't know how

don't know how

It's gonna backfire

It's gonna backfire, baby

gonna backfire

gonna backfire, baby

We've done it a million times before

Yes, I'll run for it a million more

Bridge:

We're always taking trips downtown

Officer Brown's always coming around

Tappin' on our windows

"Kids, come out

Ain't no way to live

Let me show you how"

(B)

'But we know we're not gonna change

Keep hustlin' every night and day

Chorus:

I've been waiting on your love

Baby, for too long now

too long now

I thought that I could change you like the others

but I don't know how

don't know how

It's gonna backfire

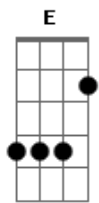

It's gonna backfire, baby

gonna backfire

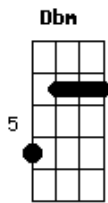

gonna backfire, baby

Done it a million a million times before
And I'll run for it a million more
