

# Lana Del Rey - Because Of You

Tom: Eb

(com acordes na forma de Capotraste na 1ª casa D )  
 Intro: On the streets of LA  
 Where the future is now  
 We dance like nobody's watching us  
 And we live like we want to  
 But it can all get a little crazy  
 Unless there's something to hold onto  
 For me, that was true love

Para essa parte, começando de "future is now":

VERSE I:

Bm  
 I was a young girl, selfish and wild  
 Em  
 Like a fire in LA

 Hot like the summer and mean like a child

 Who keeps crying till she gets her way (like a true star)  
 G A  
 There were roses in my hair, rock n roll on blare, and I was  
 in trouble  
 D Bm  
 And no one could rock me like you could  
 G A  
 I was a bad girl gone good

CHORUS:

Em G  
 Look at me now, I have everything  
 Bm A G  
 You gave to me and my heart can sing  
 Em G  
 I was a kid who could only drink  
 Bm G A  
 Em  
 Dance on tables, makin' deal with devils, like a drunk beauty  
 queen  
 Em G Bm A  
 Em  
 Fighting the fantasy, hooked on the scene, and it brought me  
 to my knees  
 G A Bm  
 And it's all... because... of you  
 (you know what I'm talkin' about)

VERSE II:

Bm  
 It was a mad world, we lived for fun  
 Em  
 And we got shit for free  
 Bm  
 Had a face like an angel, but inside my heart  
 Em

Was as black as a broke movie screen(it was pretty sad)

G  
 But then I saw you standing there, like a millionaire  
 A D Bm  
 Give me a number, call me before I get stupid  
 G A  
 Make me uncrazy like you did

CHORUS:

Em G  
 Look at me now, I have everything  
 Bm A G  
 You gave to me and my heart can sing  
 Em G  
 I was a kid who could only drink  
 Bm G A  
 Em  
 Dance on tables, makin' deal with devils, like a drunk beauty  
 queen  
 Em G Bm A  
 Em  
 Fighting the fantasy, hooked on the scene, and it brought me
