

Lana Del Rey - Black Beauty

Tom: F
 Intro: F Dm Bb F C

I paint my nails black
 I dye my hair a darker shade of brown
 Cause you like your women spanish dark strong and proud
 You paint the sky black
 You said if you could have your way
 You'd make a nighttime want today
 So it'd suit the mood of your soul

Oh
 What can I do
 Nothing
 My sparrow blue

Oh
 What can I do
 Life is beautiful
 But you don't have a clue
 Sun and ocean blue
 That magnificence
 It don't make sense to you

Black beauty.. Oh Oh Oh x2

I paint the house black
 My wedding dress black leather too
 You have no room for light
 Love is lost on you
 I keep my lips red

To seem like cherries in the spring
 Darling you can't let everything seem so dark blue

But oh
 What can I do
 To turn you on
 Or get through you

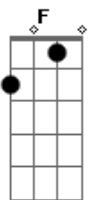

Oh
 What can I do
 Life is beautiful
 But you don't have a clue
 Sun and ocean blue
 That magnificence
 It don't make sense to you

Black beauty.. Oh Oh Oh x2
 Black beauty.. Oh Oh Oh
 Black beauty.. Oh Oh Oh x2
 Black beauty, baby
 Black beauty, baby

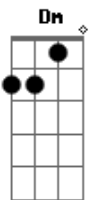

Oh
 What can I do
 Life is beautiful
 But you don't have a clue
 Sun and ocean blue
 That magnificence
 It don't make sense to you

Black beauty.. Oh Oh Oh x4
