Em D  
Blue jeans, White shirt  
A  
Walked into the room you know you made my eyes burn  
Em D  
It was like, James Dean, for sure  
A  
You so fresh to death and sick as ca-cancer  
Em D  
You were sorta punk rock, I grew up on hip hop  
A  
But you fit me better than my favourite sweater, and I know  
Em D  
That love is mean, and love hurts  
A  
But I still remember that day we met in December, oh baby!

Em D A  
I will love you till the end of time  
I would wait a million years  
Em D A  
Promise you'll remember that you're mine

Baby can you see through the tears  
Em D  
Love you more, than those bitches before  
A  
Say you'll remember, oh baby, say you'll remember  
Em D A  
I will love you till the end of time

Em D  
Big dreams, Gangster  
A  
Said you had to leave to start your life over  
Em D  
I was like: "No please", "Stay here"  
A  
"We don't need no money we can make it all work"  
Em D  
But he headed out on Sunday, said he'd come home Monday  
A  
I stayed up waiting, anticipating and pacing but he was

Em D  
Chasing, Paper  
A  
"Caught up in the game" that was the last I heard

Em D A  
I will love you till the end of time  
I would wait a million years  
Em D A  
Promise you'll remember that you're mine

Baby can you see through the tears  
Em D  
Love you more, than those bitches before  
A  
Say you'll remember, oh baby, say you'll remember  
Em D A  
I will love you till the end of time

Em  
He went out every night, And baby that's alright  
I told you that no matter what you did, I'd be by your side

Cause I'm a ride or die, Whether you fail or fly,  
Well shit at least you tried.  
Em  
But when you walked out that door, a piece of me died

I told you I wanted more, but that not what I had in mind  
I just want it like before, We were dancing all night

Then they took you away, - stole you out of my life  
You just need to remember...

Em D A  
I will love you till the end of time  
I would wait a million years  
Em D A  
Promise you'll remember that you're mine

Baby can you see through the tears  
Em D  
Love you more, than those bitches before  
A  
Say you'll remember, oh baby, say you'll remember  
Em D A  
I will love you till the end of time
