**Dbm** **Ab**  
 Take me in your fast car mercedes  
**Gbm** **Ab**  
 Kissing on your neck while you're driving  
**Dbm** **Ab**  
 Doesn't care I'm always on my blackberry  
**Gbm** **Ab**  
 All the time all the time buying into every line  
**Dbm** **Ab**  
 I'mma flashy little lush but he thinks I'm really fine  
**Gbm** **Ab**  
 Notorious and wild takes me where I'm gonna shine  
**Dbm** **Ab**  
 Where the bad boys roll hard dressing like james dean  
**Gbm** **Ab**  
 And the vixen starlets feels so good to be

**Gbm** **Ab**  
 We're children of the bad revolution  
**Gbm** **Ab**  
 And partying is the only solution  
**Gbm** **Ab**  
 And I'mma tell any confusion  
**Gbm** **Ab**  
 About who we are and what we're gonna be  
**Dbm** **Ab**  
 We gonna get free free free free  
**Gbm** **Ab**

**Dbm** **Ab**

**Dbm** **Ab**  
 Like the world belongs to us  
**Gbm** **Ab**  
 Cause it does, yeah it must but we do create the buzz

**Dbm** **Ab**  
 Where the bad boys blow smoke just like they're james dean  
**Gbm** **Ab**  
 And the air girls blow kisses just like marilyn

**Gbm** **Ab**  
 We're children of the bad revolution  
**Gbm** **Ab**  
 And partying is the only solution  
**Gbm** **Ab**  
 And I'mma tell any confusion  
**Gbm** **Ab**  
 About who we are and what we're gonna be  
**Dbm** **Ab**  
 We gonna get free free free free  
**Dbm** **Ab**  
 Free free free get free

**Dbm**  
 Run for your lives  
**Ab**  
 They got 'em in chains

**Gbm**  
 Let's hope that we merge  
**Ab**  
 Create our own games  
**Dbm**  
 Dj's, rockstars, posers, we are  
**Ab**  
 Then the politicians  
**Gbm**  
 That surrender the additions  
**Abm** **Ab**  
 And it's so pornographic and it's tragic  
**Gbm**  
 Nothing magic makes us free  
**Ab**  
 To be what we wanna be, wanna be  
**Gbm** **Ab**  
 We're children of the bad revolution  
**Gbm** **Ab**  
 And partying is the only solution  
**Gbm** **Ab**  
 And I'mma tell any confusion  
**Gbm** **Ab**  
 About who we are and what we're gonna be

**Gbm** **Ab**  
 We're children of the bad revolution  
**Gbm** **Ab**  
 And partying is the only solution  
**Gbm** **Ab**  
 And I'mma tell any confusion  
**Gbm** **Ab**  
 About who we are and what we're gonna be  
**Dbm** **Ab**  
 We gonna get free free free free  
**Dbm** **Ab**  
 Free free free get free
