

Lana Del Rey - Cinnamon Girl

Tom: G

Cinnamon in my teeth
 From your kiss, you're touching me
 All the pills that you did
 Violet, blue, green, red to keep me at arm's length don't work
 You try to push me out, but I just find my way back in
 Violet, blue, green, red to keep me out, I win

There's things I wanna say to you, but I'll just let you leave
 Like if you hold me without hurting me
 You'll be the first who ever did
 There's things I wanna talk about, but better not to keep
 But if you hold me without hurting me
 You'll be the first who ever did

Ah, ah, ah, ah, ah, ah
 Ah, ah, ah, ah, ah, ah
 Hold me, love me, touch me, honey
 Be the first who ever did
 Ah, ah, ah, ah, ah, ah
 Ah, ah, ah, ah, ah, ah
 Hold me, love me, touch me, honey
 Be the first who ever did

Kerosene in my hands
 You make me mad, I'm fire again
 All the pills that you did

Violet, blue, green, red to keep me at arm's length don't work
 There's things I wanna say to you, but I'll just let you leave
 Like if you hold me without hurting me
 You'll be the first who ever did
 There's things I wanna talk about, but better not to keep
 But if you hold me without hurting me
 You'll be the first who ever did

Ah, ah, ah, ah, ah, ah
 Ah, ah, ah, ah, ah, ah
 Hold me, love me, touch me, honey
 Be the first who ever did
 Ah, ah, ah, ah, ah, ah
 Ah, ah, ah, ah, ah, ah
 Hold me, love me, touch me, honey
 Be the first who ever did

There's things I wanna say to you, but I'll just let you leave
 Like if you hold me without hurting me
 You'll be the first who ever did
 There's things I wanna talk about, but better not to keep
 But if you hold me without hurting me
 You'll be the first who ever did
