

# Lana Del Rey - Coachella ? Wookdstock In My Mind

Tom: G

Primeira Parte:

G I was at Coachella  
 F Leaning on your shoulder  
 C Watching your husband swing in time  
 G I guess I was in it  
 F 'Cause baby, for a minute  
 C It was Woodstock in my mind  
 G In the next morning  
 F They put out the warning  
 C Tensions were rising over country lines  
 G I turned off the music  
 F Tried to sit and use it  
 C All of the love that I saw that night

Pré-Refrão:

Am G  
 'Cause what about all these children  
 D C  
 And what about all their parents  
 Am G  
 And what about about all their crowns they wear  
 D C  
 In hair so long like mine  
 Am G  
 And what about all their wishes  
 D C  
 Wrapped up like garland roses  
 Am G  
 Round their little heads  
 D C  
 I said a prayer for a third time

Refrão:

Em C D  
 I'd trade it all for a stairway to heaven (a stairway,  
 stairway)  
 Em C D  
 I'd take my time for the climb up to the top of it (stairway)  
 Em C D  
 I'd trade the fame and the fortune and the legend (stairway)  
 Am C  
 D  
 I'd give it all away if you give me just one day to ask him  
 one question  
 Am C  
 D  
 I'd give it all away if you give me just one day to ask him  
 one question

Segunda Parte:

G I was at Coachella  
 F Leaning on your shoulder

C Watching your husband swing and shine  
 G F  
 I'd say he was hella, cool to win them over  
 C  
 Critics can be so mean sometimes  
 G F C  
 He was on his knees and I thought he was breaking 'em down  
 with his words and his words divine  
 G F  
 Doesn't take a genius to know what you've got going  
 C  
 To not want music 'cause they lost their minds

Pré-Refrão:

Am G  
 'Cause what about all these children  
 D C  
 And all their children's children  
 Am G D C  
 And why am I even wondering that today  
 Am G  
 Maybe my contribution  
 D C  
 Could be as small as hoping  
 Am G D  
 C  
 That words could turn to birds and birds would send my  
 thoughts your way

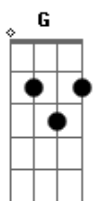

Refrão:

Em C D  
 I'd trade it all for a stairway to heaven (a stairway,  
 stairway)  
 Em C D  
 I'd take my time for the climb up to the top of it (stairway)  
 Em C D  
 I'd trade the fame and the fortune and the legend (stairway)  
 Am C

 I'd give it all away if you give me just one day to ask him

 A stairway, stairway to heaven  
 C D
