

Lana Del Rey - Dark Paradise

Tom: E

(com acordes na forma de Capostrate na 4ª casa) C)

Am
All my friends tell me I should move on
Am
I'm lying in the ocean, singing your song
F Am
Ahhh, that's how you sang it
Am
Loving you forever, can't be wrong
Am
Even though you're not here, won't move on
F Am
Ahhh, that's how we played it

And there's no remedy for memory your face is
Like a melody, it won't leave my head
Your soul is haunting me and telling me
That everything is fine
But I wish I was dead

Am G
Every time I close my eyes
Dm Am
It's like a dark paradise
F
No one compares to you
Am G
I'm scared that you won't be waiting on the other side

Am G
Every time I close my eyes
Dm Am
It's like a dark paradise
F
No one compares to you
Am G
I'm scared that you won't be waiting on the other side

(Am G Dm Am)2x
