Lana Del Rey - Don't Call Me Angel (feat. Ariana Grande and Miley Cyrus)

```
Tom: C
                                                                 Might work with her but not me, oh yeah
                                                                 Don't you know that I bite when the sun set?
m
Intro: Cm
                                                                 [Pré-Refrão]
[Refrão]
                                                                                           Bb
                                                                    Keep my name out your mouth
Cm
                                                                                   Ab
Boy, don't call me angel
                                                                 I know what you about
                                                                                           Fm7
You ain?t got me right
                                                                 So keep my name out your mouth, oh yeah
Don't call me angel
                                                                 [Refrão]
You can't pay my price
                                                                 Cm
                                                                 Boy, don't call me angel
               Bb
Ain?t from no heaven
                                                                 You ain?t got me right
                   Ab
Yeah you heard me right (yeah, you heard me)
                                                                 Don't call me angel
                          Fm7
Even though you know we fly (though you know we)
                                                                 You can't pay my price
Don't call me angel
                                                                                Bb
                                                                 Ain?t from no heaven
[Primeira Parte]
                                                                                    Ab
                                                                 Yeah you heard me right (yeah, you heard me)
Cm
                                                                                          Fm7
Uh, don't call me angel when I'm a mess
                                                                 Even though you know we fly (though you know we)
Don't call me angel when I get undressed
                                                                 Don't call me angel
You know I, I don't like that, boy
                                                                 [Ponte]
Uh, I make my money and I write the checks
                                                                 Ab
                                                                 I appreciate the way you watch me, I can't lie
So say my name with a little respect
                                                                            Bb
                                                                 I drop it down, I pick it up, I back it off the county line
All my girls successful, and you're just our guest
                                                                              67
                                                                 I fell from heaven, now I'm living like a devil
[Pré-Refrão]
                                                                                            Ab7M
                                                                 You can't get me off your mind
Cm
  Do I really need to say it?
                                                                 Fm7
Bb
                                                                 I appreciate the way you want me, I can't lie
 Do I need to say it again, yeah?
                                                                            Bb
                                                                 I drop it low, I back it up, I know you wanna think you're
Ab
 You better stop the sweet talk
                                                                 mine
                                                                       67
And keep your pretty mouth shut
                                                                 Baby, I totally get it, you can't guess so
                                                                                            Ab7M
[Refrão]
                                                                 You can't get me off your mind (we in it together, but don't
                                                                 call me angel)
Cm
Boy, don't call me angel
                                                                 [Refrão]
You ain?t got me right
                                                                 Cm
                                                                 Boy, don't call me angel
Don't call me angel
                                                                 You ain?t got me right
You can't pay my price
                                                                 Don't call me angel
               Bb
Ain?t from no heaven
                                                                 You can't pay my price
                   Ab
Yeah you heard me right (yeah, you heard me)
                                                                                Bb
                                                                 Ain?t from no heaven
                         Fm7
Even though you know we fly (though you know we)
                                                                                    Ah
                                                                 Yeah you heard me right (yeah, you heard me)
Don't call me angel
                                                                                           Fm7
                                                                 Even though you know we fly (though you know we)
[Segunda Parte]
                                                                 Don't call me angel
  See you here with somebody, you sizin' up my body, oh yeah
                                                                 [Final]
Don't you know that I bite when the sun set, yeah
                                                                    (Yeah, you heard me) Angel, don't call me angel
So don?t you try come around me
                                                                    (Yeah, you heard me)
                                                                                            Don't call me angel
