

# Lana Del Rey - Get Free

Tom: Bb

(com acordes na forma de A )

Capostrate na 1ª casa

[Verse 1]

Finally, I'm crossing the threshold

From the ordinary world, to the reveal of my heart

Undoubtedly, that will for certain

Take the dead out of the sea, and the darkness from the arts

[Pre-Refrão 1]

This is my commitment (ah-ah-ahh)

My modern manifesto (ah-ahh)

I'm doing it for all of us (ah-ahh)

Who never got the chance (ah-ah ah-ah)

Longing for ahhh (shut-up, shut-up)

And all my Birds of Paradise (shut-up, shut-up)

Who never got to fly at night (shut-up, shut-up)

'Cause they were caught up in the dens (ah-ah ah-ah ahh)

[Refrão 1]

Sometimes it feels like I've got a war in my mind

I want to get off but I keep riding the ride

I never really notice that I had to decide

To play someone's game or live my own life

And now I do

I want to move

Out of the black (out of the black)

Into the blue (into the blue)

[Verso 2]

Finally, gone is the burden

Of the cowardly way of being, that comes from energies combined

Like my part was I, was not discerning

And you as we found out, were not in your right mind

[Pre-Refrão 2]

There's no more chasing rainbows (ah-ahh)

And hoping for an end to them (ah-ahh)

Their arches are illusions (ah-ahh)

Solid at first glance (ah-ah ah-ah)

But then you try to touch them (touch, touch)

There's nothing to hold on to (hold, hold)

The colors used to lure you in (you in)

And put you in a trance (ah-ah ah-ah ahh)

[Refrão 2]

Sometimes it feels like I've got a war in my mind

I want to get off but I keep riding the ride

I never really notice that I had to decide

To play someone's game or live my own life

And now I do

I want to move

Out of the black (out of the black)

Into the blue (into the blue)

[Outro]

Out of the black (out of the black)

Into the blue (into the blue)

Out of the black (out of the black)

Into the blue (into the blue)
