tom:

G  
Do you want me or do you not?  
C  
I heard one thing, now I'm hearing another  
Am  
Dropped a pin to my parking spot  
E7  
The bar was hot, it's 2am, it feels like summer  
F  
Happiness is a butterfly, try to catch it like every night  
Em  
It escapes from my hands into moonlight  
F  
Everyday is a lullaby, hum it on the phone like every night  
Am  
And sing it for my babies on the tour life, ah-ah ah  
G  
If he's a serial killer, then what's the worst  
E7  
That could happen to a girl who's already hurt, I'm already hurt  
Am  
If he's as bad as they say, then I guess I'm cursed  
E7  
Looking into his eyes, I think he's already hurt, he's already hurt  
Am  
I said, "Don't be a jerk, don't call me a taxi"  
C  
Sitting in your sweatshirt, crying in the backseat  
E7  
Ooh ooh-ooh ooh-ooh, I just wanna dance with you  
Am  
Hollywood and Vine, Black Rabbit in the alley  
E7  
I just wanna hold you tight down the  
Am  
Avenue-hoo-hoo hoo, I just wanna dance with you
