## Lana Del Rey - Honeymoon

```
Tom: Ab
                                                               Chorus:
Intro: Fm Db Ab Eb7
                                                                        Fm
                                                               Our honeymoon
Verse:
                                                                        Dh
         Fm
                                                               Our honeymoon
We both know that it's not fashionable to love me
                                                                        Fm
                                                               Our honeymoon
             Fm
But you don't go cause truly there's nobody for you but me
                                                                                                   Bbm
                                                                               Cm
         Db
                        Fm
                                                               Say you want me too, say you want me too.
We could cruise to the blues
                                                                     Cm
                                                                                Fm
             Db
                                                               Dark blue, dark blue.
                       Fm
Wilshire Boulevard if we choose
                                   Bbm
                                           C7
                                                               Bridge:
     Bbm
                   Fm
Or whatever you want to do, We make the rules.
                                                                          Db
                                                               There are violets in your eyes,
Chorus:
                                                                         Eb
                                                                                          Fm
         Fm
                        Db
                                                               There are guns that blaze around you.
Our honeymoon, our honeymoon
                                                                                                        Fb
                                                                         Db
                                                                                                                     Fm
                                                               There are roses in between my thighs and fire that surrounds
        Fm
Our honeymoon.
                                                               you
               Cm
                                 Bbm
                                                                        Db
                                                                                                   Fb
                                                               It's no wonder every man in town had neither fought nor found
Say you want me too, say you want me too
     Cm
                 Fm
                                                                   Db
                                                                                               Cm
Dark blue, dark blue.
                                                               Everything you do is elusive to even your honey dew
Verse:
                                                               Outro:
        Fm
                                                                        Fm
We both know the history of violence that surrounds you
                                                               Our honeymoon
             Fm
                                                                        Db
But I'm not scared, there's nothing to lose now that I've
                                                               Our honeymoon
                                                                                 Fm - Db - D7b5
found you
                                                                        Db7
                                                               Our honeymoon
