

Lana Del Rey - Looking For America

Tom: G

Took a trip to San Francisco
 All our friends said we would jive
 Didn't work, so I left for Fresno
 It was quite the scenic drive
 Pulled over to watch the children in the park
 We used to only worry for them after dark

 I'm still looking for my own version of America
 One without the gun, where the flag can freely fly
 No bombs in the sky, only fireworks when you and I collide

 It's just a dream I had in mind
 It's just a dream I had in mind
 It's just a dream I had in mind

I flew back to New York City
 Missed that Hudson River line
 Took a train up to Lake Placid
 That's another place and time, where
 I used to go to drive-ins and listen to the blues
 So many things that I think twice about before I do, no no

 I'm still looking for my own version of America
 One without the gun, where the flag can freely fly
 No bombs in the sky, only fireworks when you and I collide

 It's just a dream I had in mind

 It's just a dream I had in mind
 It's just a dream I had in mind
 It's just a dream I had in mind
