tom:

Intro: G D Am7  
G D Am7

[Primeira Parte]

G D Am7  
..This is a simple song, gonna write it for a friend  
My shirt is inside out, I'm messy with the pen  
He met Margaret on a rooftop, she was wearin' white  
And he was like, "I might be in trouble"  
He had flashes of the good life, he was like  
"Should I jump off this building now or Do it on the double?"

[Pré-Refrão]

G D Am7  
..'Cause, baby, if your love isn't trouble  
Baby, if your love isn't trouble  
Baby, if your love isn't trouble

[Refrão]

G D  
..When you know, you know  
..When you know, you know  
It kinda makes me laugh  
Runnin' down that path  
When you're good, it's gold  
'Cause when you know, you know

[Segunda Parte]

D  
Words aren't my friends  
But th?y're red flags, they'r? white knights  
They're black eyes and they're blue lies  
If you're askin' yourself, "How Do you know?"  
Then that's your answer, the answer is "No"  
Am7  
You gotta run, gotta run, run, run, run like your head's on fire  
Run away like your head is on fire

[Pré-Refrão]

D Am7  
'Cause, baby, if your love isn't trouble  
Baby, if your love isn't trouble  
Baby, if your love isn't trouble

[Refrão]
