You took my sadness out of context

At the Mariners apartment complex

I ain't no candle in the wind

Kind of girl who's gonna make you wonder

And who I've been is with you on these beaches
Am
Your Venice bitch, your die-hard, your weakness
G
Maybe I could save you from your sins
  
```

```

D
So, kiss the sky and whisper to Jesus
Am
My, my, my, you found this, you need this
G
Take a deep breath, baby, let me in
  
```

[Refrão]

```

Am G D
You lose your way, just take my hand
Am G D
You're lost at sea then I'll command your boat to me again
Am G D
Don't look too far, right where you are, that's where I am
Am G D
I'm your man
Am G D
I'm your man
  
```

[Segunda Parte]

```

D
They mistook my kindness for weakness
Am
I fucked up, I know that, but Jesus
G
Can't a girl just do the best she can?
  
```

D
Catch a wave and take in the sweetness
Am
Think about it, the darkness, the deepness
G
All the things that make me who I am
  
```

[Pré-Refrão]

```

D
And who I am is a big time believer
Am
That people can change, but you don't have to leave her
G
When everyone's talking, you can make a stand
  
```

```

D
'Cause even in the dark I feel your resistance
Am
You can see my heart burning in the distance
G
Baby, baby, baby, I'm your man, yeah
  
```

[Refrão]

```

Am G D
You lose your way, just take my hand
Am G D
You're lost at sea then I'll command your boat to me again
Am G D
Don't look too far, right where you are, that's where I am
