

# Lana Del Rey - Radio

Tom: D

(com acordes na forma de Capostrate na 2ª casa C )

Not even they can stop me now  
 Boy, I'll be flying overhead  
 Their heavy words can't bring me down  
 Boy I've been raised from the dead  
 No one even knows how hard life was  
 I don't even think about it now because  
 I've finally found you  
 Oh, sing it to me

Now my life is sweet like cinnamon  
 Like a fucking dream I'm living in  
 Baby love me cause I'm playing on the radio  
 (How do you like me now?)

Lick me up and take me like a vitamin  
 'Cause my body's sweet like sugar venom oh yeah  
 Baby love me cause I'm playing on the radio  
 (How do you like me now?)

American dreams came true somehow  
 I swore I'd chase until I was dead  
 I heard the streets were paved with gold  
 That's what my father said

No one even knows what life was like  
 Now I'm in LA and it's paradise  
 I've finally found you  
 Oh, sing it to me

Now my life is sweet like cinnamon  
 Like a fucking dream I'm living in

Baby love me cause I'm playing on the radio  
 (How do you like me now?)

Lick me up and take me like a vitamin  
 'Cause my body's sweet like sugar venom oh yeah  
 Baby love me cause I'm playing on the radio  
 (How do you like me now?)

Sweet like cinnamon  
 Like a fucking dream I'm living in  
 Baby love me cause I'm playing on the radio  
 (How do you like me now?)

Sweet like cinnamon  
 Like a fucking dream I'm living in  
 I finally found you

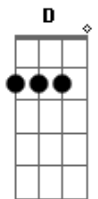

Now my life is sweet like cinnamon  
 Like a fucking dream I'm living in  
 Baby love me cause I'm playing on the radio  
 (How do you like me now?)

Lick me up and take me like a vitamin  
 'Cause my body's sweet like sugar venom oh yeah  
 Baby love me cause I'm playing on the radio  
 (How do you like me now?)

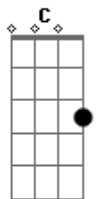

Now my life is sweet like cinnamon  
 Like a fucking dream I'm living in  
 Baby love me cause I'm playing on the radio  
 (How do you like me now?)

Lick me up and take me like a vitamin  
 'Cause my body's sweet like sugar venom oh yeah  
 Baby love me cause I'm playing on the radio  
 (How do you like me now?)
