

Lana Del Rey - Religion

Tom: C

Verso 1:

Am F Dm
 Everything is fine now, let sleeping dogs lay,
 G E Am
 all our minds made up now, all our beds are made.
 F Dm
 No one's out of time, no, Chips fall wherever they may.
 G E F
 Leave it all behind, let the ocean wash it away.

Pre-Refrão:

Am G
 It never was about the money or the drugs,
 Dm C F
 for you, there's only love. For you, there's only love.
 Am G
 It never was about the party or the clubs,
 Dm E
 for you, there's only love.

Refrão:

Am F
 'Cause you're my religion, you're how I'm living,
 Dm G E
 when all my friends say I should take some space
 Am F
 well, I can't envision that for a minute.
 Dm G E
 When I'm down on my knees, you're how I pray,
 Am F Dm G E
 Hallelujah, I need your love,
 Am F Dm G E
 Hallelujah, I need your love.

Verso 2:

Am F Dm
 Everything is bright now, no more cloudy days.
 G E Am
 Even when the storms come, in the eye we'll stay
 F Dm
 No need to survive now, all we do is play,

G E F
 all I hear is music like Lay Lady Lay.
