

# Lana Del Rey - Swan Song

Tom: E  
Intro: 6x: Dbm B A B

Verse:  
Dbm  
Put your white tennis shoes on and follow me,  
A  
Why work so hard when you could just be free?  
Dbm  
You got your moment now, you got your legacy.

A  
Let's leave the world for the ones who change everything.  
Gbm E  
Nothing could stop the two of us,  
Gbm E A - B  
let's just get lost, that's what we want.

Chorus:  
And I will never sing again, and you won't work another day,  
Dbm A Db A  
I will never sing again with just one wave it goes away.  
Dbm B A B Dbm B A  
It will be our swan song, it will be our swan song,  
B Dbm B A B Dbm B A B  
be our swan song, It will be our swan song.

Verse 2:  
Dbm  
Darling, dive deep and dark blue suede,  
A  
Rushing up from the water where the ice meets.  
Dbm  
And you've been gone so long, you missed everything,

A  
The world can change in a day if you go away.  
Gbm E  
But nothing could stop the two of us,  
Gbm E  
If that's what we want, we could just get lost

Chorus:  
Dbm A Db A  
And I will never sing again, and you won't work another day,  
Dbm A Db A  
I will never sing again with just one wave it goes away.  
Dbm B A B Dbm B A  
It will be our swan song, it will be our swan song,  
B Dbm B A B Dbm B A B  
be our swan song, It will be our swan song.

Bridge:  
Dbm  
Live your life,  
B  
live your life, where you've been.  
A B  
Where you're going to? Going to.  
Dbm  
Say good night,  
B A  
say good night to the life in the world we live.  
B Dbm  
I'm going to follow you.

Chorus:  
Dbm A Db A  
And I will never sing again, and you won't work another day,  
Dbm A Db A  
And I will never sing again, you won't work another day,  
Dbm B A B Dbm B A  
It will be our swan song, it will be our swan song,  
B Dbm B A B Dbm B A B  
be our swan song, It will be our swan song.

Outro:  
Dbm B A B  
Put your white tennis shoes on and follow me,  
Dbm B A B  
Put your white tennis shoes on and follow me,  
Dbm B A Dbm  
Why you work so hard when you could just be free?
