

Lana Del Rey - The Blackest Day

Tom: A
Intro: A Gbm

Gbm E
Give me all, got my blue nail polish on.
D Gbm E
It's my favorite color and my favorite tone of song,
Gbm E
I don't really wanna break up, we got it going on,
D Gbm E
it's what you gathered from my talk, but you were wrong.

Pre-chorus:
D E
It's not easy for me to talk about a half life in lost dreams,
D E
I'm not simple, it's trigonometry. It's hard to express,
I can't explain.

Refrão:
Gbm E
Ever since my baby went away
D Gbm E
it's been the blackest day, it's been the blackest day.
Gbm E
All I hear is Billie Holiday,
D Gbm E
it's all that I play, it's all that I play.
Because I'm going deeper and deeper, harder and harder,
D Gbm E
getting darker and darker, looking for love
D Gbm E
in all the wrong places, oh my god.
D Gbm E
in all the wrong places, oh my god.

Gbm E
Carry me home, got my new car and my gun.
D Gbm E
Wind in my hair, holding your hand, listen to a song.
Gbm E
Carry me home, don't wanna talk about the things to come,
D Gbm E
just put your hands up in the air, the radio on.

Pre-chorus:
D E
'Cause there's nothing for us to talk about like the future
and those things,
D E
'Cause there's nothing for me to think about now that he's
gone

I can't feel nothing.
