

Lana Del Rey - Thunder

tom:

G
You roll like thunder Em
When you come crashin' in
C
Town ain't been the same
G
Since you left with all your friends
G Em
You roll like thunder
D
When you come crashing in
C
Regattas in the wind
G
That's why you're visiting
G Em
You act like fucking Mr. Brightside
D
When you're with all your friends
But I know what you're like
When the party ends
G
Just do it
Em D
Just do it, don't wait
G
Just do it
Em D
Just do it, don't wait
G Em
You roll like thunder
D
Pourin' all your drinks
C
The party's lit and you, my friend
G
Half-cut when it begins
G Em
You roll like thunder
D
You're tryna catch that wind
C
That lightning in the bottle
G
That moonbeam in your hand
G Em
And you try to see the bright side
D
When each new day begins
But you're not satisfied
At the rainbow's end

G
Just do it
Em D
Just do it, don't wait
I don't wanna wait
G
Just do it
Em D
Just do it, don't wait
G
'Cause if you're on fire, you're on fire (just do it)
Em D
Just keep burnin', till rain (just do it, don't wait)
Baby, keep me ablaze
G
Honey, if you're on fire, you're on fire (just do it)
Em D
Just keep burning, keep me alive (just do it, don't wait)
Spare your blade
G
Just do it
Em D
Just do it, don't wait
If hello just means goodbye then, honey, better walk away
G
Just do it
Em D
Just do it, don't wait
If hello just means goodbye then, baby, better walk away
G
Just do it
Em D
Just do it, don't wait
G
'Cause I don't wanna wait
G
Just do it
Em D
Just do it, don't wait
G
(Just do it)
Em D
(Just do it, don't wait)
D G
If you're on fire
(Just do it) You're on fire
Em Em D
You should just keep burning (just do it, don't wait)
G
(Just do it)
