

# Lana Del Rey - West Coast

Tom: A

**Gbm**  
Down on the west coast  
**Gbm**  
They got a saying  
**Gbm**  
If you're not drinking  
**Gbm**  
Then you're not playing  
**Bm** **D**  
But you've got the music, you've got the music in you  
**Gbm**  
Don't you?

**Gbm**  
Down on the west coast  
**Gbm**  
I get this feeling like it all could happen  
**Gbm** **Bm**  
That's why I'm leaving you  
**D**  
For the music, you for the music  
**Gbm**  
It's true, It's true

**Gbm**  
You're feelin' hot at the show  
**Bm**  
I'm feeling hot to the touch  
**Gbm**  
You say you miss me the most  
**Bm**  
And I always say I miss you so much  
**Bm7**  
Something keeps me real cold  
**D**  
I'm alive, I'm a lush  
**Bm** **D** **Gbm**  
Your love, your love, your love

**Bm** **D** **Gbm**  
I can see my baby swinging  
**E** **Bm**  
His Parliament's on fire when his hands are up  
**D**  
On the balcony and I'm singing  
**Gbm** **E** **Bm**  
Ooh baby, ooh baby, I'm in love  
**Bm** **D** **Gbm**  
I can see my sweet boy swayin'  
**E** **Bm**  
He's crazy y Cubano como yo my love  
**D**  
On the balcony and I'm singing  
**Gbm** **E** **Bm**  
Move baby, move baby, I'm in love

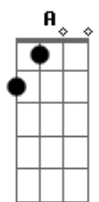

I'm in love, I'm in love  
**Gbm**  
Down on the west coast  
**Gbm**  
They got their icons  
**Gbm**  
Their silver starlets  
**Gbm**  
Their queens of Saigon  
**Bm** **D7** **Gbm**  
And you got the music, you got the music in you  
Don't you?

**Gbm**  
Down on the west coast  
**Gbm**  
They love their movies  
**Gbm**  
Their golden dozen and rock'n'roll groupies  
**Bm** **D7** **Gbm**  
And you got the music, you got the music in you  
Don't you?

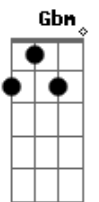

**Gbm**  
You push it hard I pull away  
**Bm**  
I'm feeling hotter than fire  
**Gbm**  
I guess that no one ever really  
**Bm**  
Made me feel that much higher  
**Bm7** **D**  
They say you got it all, boy it's you I desire  
**Bm** **D** **Gbm**  
Your love, your love, your love

**Bm** **D** **Gbm**  
I can see my baby swinging  
**E** **Bm**  
His Parliament's on fire when his hands are up  
**D**  
On the balcony and I'm singing  
**Gbm** **E** **Bm**  
Ooh baby, ooh baby, I'm in love  
**Bm** **D** **Gbm**  
I can see my sweet boy swayin'  
**E** **Bm**  
He's crazy y Cubano como yo my love  
**D**  
On the balcony and I'm singing  
**Gbm** **E** **Bm**  
Move baby, move baby, I'm in love  
I'm in love,  
I'm in love
