

Lana Del Rey - West Coast

Tom: D

Bm
Down on the west coast
Gbm
They got a saying
Bm
If you're not drinking
Gbm
Then you're not playing
D **Bm** **Gbm**
But you've got the music, you've got the music in you
Bm7
Don't you?

Bm
Down on the west coast
Gbm **Bm**
I get this feeling like it all could happen
Gbm **D**
That's why I'm leaving you
Bm
For the moment, you for the moment
Gbm **Bm7**
Boy blue, yeah you

Gbm
You're feelin' hot at the show
D
I'm feeling hot to the touch
Gbm
You say you miss me the most
D
And I always say I miss you so much
Bm7
Something keeps me real cold
D
I'm alive, I'm a lush
Gbm **Bm7**
Your love, your love, your love

Bm **Gbm** **D**
I can see my baby swinging
Gbm **D**
His Parliament's on fire when his hands are up
Bm7

On the balcony and I'm singing
Gbm **B7m**
Ooh baby, ooh baby, I'm in love
Bm **Gbm** **D**
I can see my sweet boy swayin'
Gbm **D**
He's crazy y Cubano como yo my love
Bm7

On the balcony and I'm singing
Gbm **D**
Move baby, move baby, I'm in love
B7m **Bm**
I'm in love, I'm in love

Bm
Down on the west coast
Gbm
They got their icons
Bm
Their silver starlets
Gbm

Their queens of Saigon
D **Bm** **Gbm**
And you got the music, you got the music in you
Bm7
Don't you?

Bm
Down on the west coast
Gbm
They love their movies
Bm **Gbm**
Their golden dozen and rock'n'roll groupies
D **Bm** **Gbm**
And you got the music, you got the music in you
Bm7
Don't you?

Gbm
You push it hard I pull away
D
I'm feeling hotter than fire
Gbm
I guess that no one ever really
D
Made me feel that much higher
Bm7 **D**
They say you got it all, boy it's you I desire
Gbm **Bm7**
Your love, your love, your love

Bm **Gbm** **D**
I can see my baby swinging
Gbm **D**
His Parliament's on fire when his hands are up
Bm7

On the balcony and I'm singing
Gbm **B7m**
Ooh baby, ooh baby, I'm in love
Bm **Gbm** **D**
I can see my sweet boy swayin'
Gbm **D**
He's crazy y Cubano como yo my love
Bm7

On the balcony and I'm singing
Gbm **D**
Move baby, move baby, I'm in love
