

# Lana Del Rey - West Coast

Tom: D

Bm  
Down on the west coast  
Gbm  
They got a saying  
Bm  
If you're not drinking  
Gbm  
Then you're not playing  
D Bm Gbm  
But you've got the music, you've got the music in you  
Bm  
Don't you?

Bm  
Down on the west coast  
Gbm Bm  
I get this feeling like it all could happen  
Gbm D  
That's why I'm leaving you  
Bm  
For the moment, you for the moment  
Gbm Bm  
Boy blue, yeah you

Gbm  
You're feelin' hot at the show  
D  
I'm feeling hot to the touch  
Gbm  
You say you miss me the most  
D  
And I always say I miss you so much  
Bm  
Something keeps me real cold  
D  
I'm alive, I'm a lush  
Gbm Bm  
Your love, your love, your love

Bm Gbm D  
I can see my baby swinging  
Gbm D  
His Parliament's on fire when his hands are up  
Bm  
On the balcony and I'm singing  
Gbm B  
Ooh baby, ooh baby, I'm in love  
Bm Gbm D  
I can see my sweet boy swayin'  
Gbm D  
He's crazy y Cubano como yo my love  
Bm

Bm  
Down on the west coast  
Gbm  
They got their icons  
Bm  
Their silver starlets  
Gbm

Their queens of Saigon  
D Bm Gbm  
And you got the music, you got the music in you  
Bm  
Don't you?

Bm  
Down on the west coast  
Gbm  
They love their movies  
Bm Gbm  
Their golden dozen and rock'n'roll groupies  
D Bm Gbm  
And you got the music, you got the music in you  
Bm  
Don't you?

Gbm  
You push it hard I pull away  
D  
I'm feeling hotter than fire  
Gbm  
I guess that no one ever really  
D  
Made me feel that much higher  
Bm D  
They say you got it all, boy it's you I desire  
Gbm Bm  
Your love, your love, your love

I can see my baby swinging
