

# Lana Del Rey - White Mustang

Tom: A  
Intro: Bm Gbm A E

Bm Gbm  
Packing all my thing for the summer  
A E  
Lying on my bed, it's a bummer  
Bm Gbm  
'Cause I didn't call when I got your number  
A E  
But I liked you a lot  
Bm Gbm  
Slippin' on my dress in soft filters  
A E Bm  
Everybody said you're a killer, but I  
Gbm A  
Couldn't stop the way I was feeling the day  
E  
Your record dropped

Bm Gbm  
The day I saw your white mustang  
A E  
Your white mustang  
Bm Gbm  
The day I saw your white mustang  
A E  
Your white mustang

Bm Gbm  
Caught up in my dreams and forgetting  
A E Bm  
I've been acting like armageddon 'cause you  
Gbm A  
Held me in your arms just a little too tight  
E  
That's what I thought  
Bm Gbm  
Summer's means for lovin and leavin'  
A E Bm

I was such a fool for believin' that you  
Gbm  
Could change all the ways you've been livin'  
A E  
But you just couldn't stop

Bm Gbm  
The day I saw your white mustang  
A E  
Your white mustang  
Bm Gbm  
The day I saw your white mustang  
A E  
Your white mustang

Bm Gbm  
You're revving and revving and revving it up  
A E  
And the sound, it was frightening  
Bm Gbm  
And you were getting the part of that  
A E  
You're gonna hit me like lightning

Bm Gbm
