Tom: C

C Am Em  
 I think we're losing what we used to have, you know  
 C Am Em G  
 You loved me better one year ago, oh  
 Am Dm Am Dm G  
 Don't let me down, don't let me down so low

C Am  
 But I won't be ashamed if you leave me  
 C Am  
 I won't be all that mad if you go  
 D2 D D2 D  
 Cause I know, yes I know

C Am  
 You always spending all that stupid time  
 Em G  
 With your band on the road  
 C Am  
 But your band is all the rage  
 Em G  
 So I've been told  
 Am Dm  
 But you can still come home  
 Am Dm G  
 You can still come home when you want

C Am  
 And I won't be ashamed to take you back in  
 C Am  
 Won't be ashamed to put a kiss on your lips  
 C D2 D  
 Cause I know, I know

C Am  
 Boy, don't call me up quickly on the phone  
 Em G  
 It's been five nights since I heard the tone of your voice  
 C Am  
 You act like everything's alright  
 Em G C  
 But we both know, we both know that it's not  
 Am  
 And it's far from ever being good again  
 Em  
 I'm gonna love you forever  
 G C  
 If you come back, I'll take you back in baby  
 Am Em G  
 Back in, baby, back in, back in

C Am Em G  
 I love you more than I will even know  
 C Am  
 You're so special  
 Em G  
 I guess that's why you got it where you go  
 C Am  
 But when you get real big, baby  
 Em G  
 Remember that little old cowgirl  
 C Am  
 Waiting for you back in that Red River Valley  
 Em G  
 Waiting back in that Tallahassee  
 C Am Em G  
 I love you
