

Landon McNamara - Don't Go Away

tom:

Intro: Bm D Bm G

'Cause I don't want you to go away
 Said I don't want you to go away, hey now
 Said I hate when you just can't stay
 So won't yeah come back my way
 I said come back my way

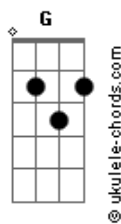

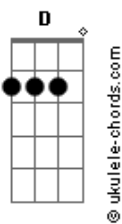

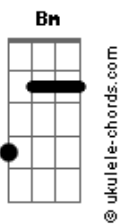

And I hear this song and sing along
 'Cause I'm here to stay, to stay but
 When those days are long and nights are cold
 Who's gonna keep you warm?

Well, I want you in my daylight
 And I want you in my moonlight, I
 Just want you by my side

And I want you when the Sun rays
 And I want you when I star gaze, I
 Just want you by my side

I don't want you to go away
 Said I don't want you to go away, hey now
 Said I hate when you just can't stay
 So won't yeah come back my ways

Acordes

Come back my ways
 Said come back my ways
 (Bm G)
 Island hoppin', and I ain't stoppin'
 Till I reach my paradise
 With my island girl where the thoughts are pure
 Waves are mean and the vibes are nice
 All the people wave by happy I play with a smile
 And it's so easy to just, get away
 Scared for now, I'm gonna leave this town
 Country bound where the beauty surrounds
 (Bm D Bm G)
 'Cause I don't want you to go away
 Said I don't want you to go away, hey now
 Said I hate when you just can't stay
 So won't you come back my ways?
 Come back my ways
 Said come back my ways
 I said now come back my ways
 I said now come back my ways
 I said now come back my
