

Landon Pigg - Can't Let Go

Tom: C

Intro: C Am Em

Dm Well you're the closest thing I have

To bring up in a conversation

About a love that didn't last

But I could never call you mine

Cause I could never call myself yours

And if we were really meant to be

Well then we justify destiny

It's not that our love died

Just never really bloomed

Well I can't let go

No, I can't let go of you

You're holding me back without even trying to.

I can't let go

I can't move on from the past

Without lifting a finger you're holding me back.

Bridge: (C Am Em)

And then we saw our paths diverge

And I guess I felt OK about it.

Until you got with another man,

And then I couldn't understand

Why it bothered me so.

How we didn't die we just

Never had a chance to grow.

I can't let go

No, I can't let go of you

You're holding me back without even trying to.

I can't let go

I can't move on from the past.

Without lifting a finger you're holding me back.

And it might not make much sense

To you or any of my friends

Though somehow still you affect the

Things I do.

And you can't lose what you never had

I don't understand why I feel sad

Every time I see you out with someone new.

Bridge: (C Am Em)

I can't let go

No, I can't let go

No, I can't let go of you.

Chorus: (C Am Em G)
(C Am F G)

I can't let go
No, I can't let go of you
You're holding me back without even trying to.
I can't let go
I can't move on from the past
Without lifting a finger you're holding me back.

I can't let go
No, I can't let go of you
You're holding me back without even trying to.
I can't let go
I can't move on from the past
