Child

My heart skips a **G** beat for you

More than I need to **Bb**

It feels like **F**

You're the reason I never sleep **G**

You're safe with me **Bb**

All through the lonely nights **F**

And I, I'll be your apple tree **G**

Give you all you need **Bb**

And gladly mourn **F**

When you feel that you don't need me **G**

But just wait and see what I've got in store **Bb F**
For you

Little darlin'

Little darlin'

Won't you let me **A**

Let me love, love you like I **Bb G**

Like I want to, like I want to **F**

Little darling, because you **A Bb** know

I'm dying too, love you **G F**

F G
I'll be your sunny day

So that when you play **Bb**

I'll shine down on you **F**

Love, I'll be your moonlight night so you'll have a light **G Bb**

when the sun is through **F**
