

# Langhorne Slim - Changes

Tom: B

(forma dos acordes no tom de G)  
Capostrate na 4ª casa

Things could be stranger  
But I don't know how  
I'm going through changes now  
I could spend a lifetime figuring it out  
I'm going through changes now  
That have just be gun  
Under a purple sun  
There's many reasons  
We are  
What we've become  
I'm going through changes  
Ripping out pages  
I'm going through changes now  
( C Bb Am G )  
( C Bb Am G )

I knew it once  
But I for got  
I'm going through changes now  
We want everything but  
What we've got  
I'm going through changes now  
Maybe it's too soon  
Under a purple moon  
But I'd ride off with you  
In a big balloon  
I'm going through changes  
Rattling cages  
I'm going through changes now  
Things could be different  
But I don't know how  
I'm going through changes  
Through all the strangeness  
I'm going through changes now
