Tom: F
Intro: Dm F7 Bb C

Bb
Back to high school love
C
The kind without the drugs
Dm C
We were just two city kids
Bb
We would run around
C
And tear a few things down
Dm C
But that's the worst that it would get

Dm F7
Bad, bad, bad we're in trouble now
Bb C
Or so, so, so they'd say
Dm F7
They think they've got us figured out
Bb C
But we kinda like it, that way

Bb
It was just a crush
C
But wild and dangerous
Dm C
You and I were out too late

Bb
Started in my car
C
Might've gone to far
Dm C
But we were down to make mistakes

Dm F7
Bad, bad, bad we're in trouble now
Bb C
Or so, so, so they'd say
Dm F7
They think they've got us figured out
Bb C
But we kinda like it, that way

Dm F7
They say we're going to hell
Bb
Let's find a cheap motel
C
And stay a couple nights
Dm F7
And when our time is done
Bb
We'll go back on the run
C
Do whatever we like
