

# Lany - Bad Bad Bad

Tom: F  
Intro: Dm F7 Bb C

Bb  
Back to high school love  
C  
The kind without the drugs  
Dm C  
We were just two city kids  
Bb  
We would run around  
C  
And tear a few things down  
Dm C  
But that's the worst that it would get

Dm F7  
Bad, bad, bad we're in trouble now  
Bb C  
Or so, so, so they'd say  
Dm F7  
They think they've got us figured out  
Bb C  
But we kinda like it, that way

Bb  
It was just a crush  
C  
But wild and dangerous  
Dm C  
You and I were out too late

Bb  
Started in my car  
C  
Might've gone to far  
Dm C  
But we were down to make mistakes

Dm F7  
Bad, bad, bad we're in trouble now  
Bb C  
Or so, so, so they'd say  
Dm F7  
They think they've got us figured out  
Bb C  
But we kinda like it, that way

Dm F7  
They say we're going to hell  
Bb  
Let's find a cheap motel  
C  
And stay a couple nights  
Dm F7  
And when our time is done  
Bb  
We'll go back on the run  
C  
Do whatever we like
