Tom: A

(forma dos acordes no tom de G )  
Capostrate na 2ª casa

**C**  
There's no reason, there's no rhyme  
**G**  
I found myself blindsided by

**Dm**  
A feeling that I've never known  
**F**  
I'm dealing with it on my own

**C**  
Phone is quiet, walls are bare  
**G**  
I drink myself to sleep, who cares?

**Dm**  
No one even has to know  
**F**  
I'm dealing with it on my own

( **C G Dm** )

**C**  
I got way too much time to be this hurt  
**G**  
Somebody help, it's getting worse  
**Dm**  
What do you do with a broken heart?  
**F**  
Once the light fades, everything is dark

**C**  
Way too much whiskey in my blood  
**G**  
I feel my body giving up  
**Dm**  
Can I hold on for another night?  
**F**  
What do I do with all this time?

**C**  
Every thought's when it gets late  
**G**  
Put me in a fragile state

**Dm**  
I wish I wasn't going home  
**F**  
Dealing with it on my own

**C**  
I'm praying but it's not enough  
**G**  
I'm done, I don't believe in love

**Dm**  
Learning how to let it go  
**F**  
Dealing with it on my own

**C**  
I got way too much time to be this hurt  
**G**

Somebody help, it's getting worse  
**Dm**  
What do you do with a broken heart?  
**F**  
Once the light fades, everything is dark

**C**  
Way too much whiskey in my blood  
**G**  
I feel my body giving up  
**Dm**  
Can I hold on for another night?  
**F**  
What do I do with all this time? Yeah

**C** **G**  
I drive circles under street lights  
**Dm**  
Nothing seems to clear my mind  
**F**  
I can't forget  
It's inside my head, so

**C** **G**  
I drive, chasing Malibu nights  
**Dm**  
Nothing seems to heal my mind  
**F**  
I can't forget

**C**  
I got way too much time to be this hurt  
**G**  
Somebody help, it's getting worse  
**Dm**  
What do you do with a broken heart?  
**F**  
Once the light fades, everything is dark

**C**  
Way too much whiskey in my blood

I can't forget

**F**  
(It's inside my head, so)

**C** **G**  
I drive, chasing Malibu nights  
**Dm**  
Hey, hey, na-na
