

# Lara Fabian - I guess I loved you

Tom: Db

Now, tomorrow is all there is  
 No need to look behind the door  
 You won't be standing there no more  
 I had my chance  
 To dance another dance  
 I didn't even realize that this was all love and no lies  
 Than I lost you  
 While?

(Chorus:)  
 I guess I loved you  
 Oh! Less, less than I should  
 Now all there is it's me and me  
 I turn around and all I see  
 The past  
 Where I have left our destiny.

Now, tomorrow is a mystery,

I cannot live without a dream  
 Vanishing from reality  
 I wanna know  
 Would you come back to me?  
 Now, that I finally realized  
 You are my love,  
 You are my life  
 And with you away?

(Chorus)

Oh! I guess I loved you  
 Oh! Less, less, less, less than I could  
 And now it's time  
 Another round to mend both of  
 Our broken hearts  
 To tell you how much I can love you now.

I guess, I guess I loved you?  
 Oh! I guess I loved you?

## Acordes
