

Lara Fabian - You Are My Heart

Tom: E
Intro: (9ª casa) Gb Db E B

How did I ever get to here

Why do I need you

Why do I have to cry these tears

Where do they lead to

I used to be so strong alone

When I was standing on my own

Now I don't know what to do

Was I too proud or just too blind

What does it matter

When love was in these hands of mine

I let it shatter

The pieces scattered to the wind

I'll never have them here again

But I'll remeber how we were

The rest of time

Chorus:

You are my heart

How could I ever let you go

You are my soul

I had to lose my soul to know

How much you mean

To me, you are my heart

I think I see you everywhere

Isn't that crazy

I still reach out to feel you there

Lying beside me

I've learned a lot since you've been gone

About what I am and what I want

I know I only want to be in love with you

Chorus:

You are my heart

How could I ever let you go

You are my soul

I had to lose my soul to know

How much you mean

To me, you are my heart

To me, you are my heart

There's the sun to light the day

My colors turned to gray

The day I saw you walk away

Now there's nothing left to say

But when I dream, I pray(I pray you were there)

That life could be like yesterday

You are my heart

How could I ever let you go

You are my soul

I had to lose my soul to know

How much you mean

To me, you are my heart

To me, you are my heart

To me, you are my heart

To me, you are my heart

A E G D

Acordes

Diagram showing ukulele chord fingerings for the following chords: E, Gb, Db, B, Dm, Ebn, D, A, G, Gbn, and F. Each chord is represented by a 4-string ukulele fretboard with black dots indicating finger positions. The diagrams are arranged in two rows. The first row contains E, Gb, Db, B, Dm, Ebn, D, A, and G. The second row contains Gbn and F. Each diagram is accompanied by the chord name and the source '© ukulele-chords.com'.
