C E7 A#sus2 F Fm G G G7

Verse:
C E7
I tried to find a good reason for loving
Am D7
But I couldn't find nothing, though I searched all through the night.
C E7
Back at the all night diner, feeding coins to the old jukebox
Am D7
I feel the rhythm, no matter what is given by the school of hard knocks

Chorus:
C E7
So and if music is the fuse you love,
F D7
Play on, play on, on
C G C G
And nothing can stop you! (Woooooo)

And with the sun, I hit the rode running to sing songs from my soul's core

Oh and if music is what fuse you love,

And nothing can stop you! (Woooooo)
