

Lasgo - Close My Eyes

tom:
C

I close my eyes

I tell u how much I care

Then u smile and say to me

Let me be your destiny

I close my eyes

I never let u go

I close my eyes

Baby, don't u understand

I'll do everything for u

I never, I never, I never let u go

I never, I never, I never let u go

I close my eyes

I never let u go

I close my eyes

I never let u go away
