

Lasse Lindh - I Could Give You Love

Tom: **C**

This ship **C** is wrecked.

The cliffs **Em** came so fast

I just **C** closed my eyes

But you **Em** closed your heart

I could **F** give you love

I could **Am** give you love

I could **Dm** give you love **G**

If you **C** let me in

I wish **C** you could see

See the world **Em** like me

We could **C** stop the rain

Oh, it's **Em** such a shame

I could **F** give you love

I could **Am** give you love

I could **Dm** give you love **G**

If you **C** let me in

If you **Am** let me in

If you **Em** let me in

F
Oh~

C
You never lost me

C
You never lost me

Am
You never lost me

Am
You never lost me

Em
You never lost me

Em
You never lost me

F
Ah~ ah~ I'm still yours

F
I could give you love

F
I could give you love

Dm **G**
I could give you love

C
If you let me in

C
Oh, you're beautiful

Em
An angel's scar

C
But you've broken all the mirrors

Em
Because you lost your faith

F
I could give you love

Am
I could give you love

Dm **G**
I could give you love

C
If you let me in
