                         G
Intro:  G   Em7   Bm7   D7
        G   Em7   Bm7   D7
```
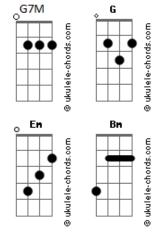

[Primeira Parte]

```
G                 Em7
   I'm trying to figure out
Am7
     Why we're still living in this snake-bit town
G                 Em7
   Some say we'll be alright
Am7
     But they're still tryna set the world on fire
```

[Pré-Refrão]

```
G7M   B7
        They wanna change
          Am7               C
The way we live today, integrate
G7M   B7                            Am7         D
         Sometimes they make me wanna run away, run
```

[Refrão]

```
G                     Em7
I need you to tell it to me straight
       Am7                     D
Baby, why you tryna throw it all away?
                          G            Em7
Yeah, the things you do are really not okay
                 Am7 D
You're fucking me up, up
```

```
(  G   Em7   Bm7   D7  )
(  G   Em7   Bm7   D7  )
```

[Segunda Parte]

```
G                     Em7
   You ever feel your soul unwind?
Am7
     Just let the rhythm take over your mind
G                         Em7
   This kind of system don't treat you kind
Am7
```

```
      They play with people like they're rolling dice
```

[Pré-Refrão]
```
G7M   B7
        Let's change the system
              Am7        C
Make them run away, run
```

[Refrão]

```
G                     Em7
I need you to tell it to me straight
       Am7                     D
Baby, why you tryna throw it all away?
                          G            Em7
Yeah, the things you do are really not okay
                  Am7  D
You're fucking me up,  up
```

[Ponte]

```
G   Em                   Bm  D
       You're fucking me up, up
G   Em                   Bm
       You're fucking me up, up
            D
You gotta let it go to waste
```

[Solo] G   Em   Bm   D

[Refrão]
```
G                     Em7
I need you to tell it to me straight
       Bm                      D
Baby, why you tryna throw it all away?
                          G            Em7
Yeah, the things you do are really not okay
                  Bm  D
You're fucking me up, up
```

[Final]

```
G   Em                   Bm  D
       You're fucking me up, up
G   Em                   Bm
       You're fucking me up, up
```
